(Atlanta, GA)

The 2013 SEBA Atlanta College Showcase held this past weekend at Oglethorpe University was a complete success. This 8th Annual event featured an impressive collection of available talent, with a full capacity roster of 180 players participating. The Camp showcased prospects from all regions of Georgia as well as the states of Florida, Tennessee, Alabama, South Carolina, Mississippi, Arkansas, Ohio, and New York. The camp featured a large number of high quality and available Class of 2013 Senior prospects, Prep School players, as well as some impressive 2014 and 2015 underclassman talent looking to breakout and make their mark.

The high intensity in the gym was apparent throughout the day, as the prospects were eager to showcase their talents to the many college coaches in attendance.

The Showcase featured a full day of basketball action. The morning session had all players participating in fundamental drills stations conducted by an excellent staff of current high school and college coaches, and former college/pro players. All campers then competed in three (3) full court 5-on-5 scrimmage games with their respective teams throughout the afternoon and early evening. The Camp then concluded with a Top 30 All-Star game; capping off a terrific day of basketball.
